Using Gift Aid means that for every pound you give, Disability First gets an extra 25 pence from HM Revenue & Customs, helping your donation make even more of a difference. For example, a gift of £10 can be turned into £12.50 and it won't cost you a penny more.

Simply return this form and we'll do the rest, if you want your donation to do more, Gift Aid it!

YES, I am a UK tax payer and I would like Disability First to treat all donation for the four years prior to this year and all future donations as Gift Aid donations, until I notify you otherwise.\*
